- They got moved, and surprised by so many unseen photos
- Started toast
- Banging glass with champagne
- Stood up and looked into their eyes
- Said “when I am in my 50years jubilee, if I could be as half of happy as you are, I would count myself the happiest person in the world”
- After that, had great night together
- Looking forward to have their 60years anniversary

## 雅思口语第二部分

Describe an occasion when you were near to wild animals

Safari zoo

Ran into wild animals

Tiger

Monkey

Pheasant

Hare

## 雅思口语第二部分

- One time experience of capturing pheasant
- It' s been extremely difficult to catch rooster, or hen in family
- Not to even mention pheasant from wild
- strong abilities of escaping, It flies, it hops, it bites
- Never want to be caught
- One time, went to trip
- Encountered pheasant
- It was staying still just right there when we spot it
- went approach to it slowly with steady step, afraid if I got exposed
- Strange/weird thing is the little creature has found us
- But still didn' t move
- Just realized that the only matter that the pheasant didn' t move was because of its incubation, under its body, there were 3 eggs, great feminine love
- Released it back to wild

谢谢
