雅思口语第一部分

Holiday

Do you prefer long holiday and several short holidays?

Long holiday, it gives me enough time to travel foreign and domestic countries and cities, and I don't have to do scanning trip as while I was in somewhere with no enough time to comprehend culture, custom, people and history.

雅思口语第一部分

Holiday

- What would you do on a short holiday?

My short holidays are always worse than how I expected it would be, I normally told myself I was gonna have 3 days break at home, but it turned out the schedule was quite busy for running several errands, having dates, cleaning my living place, and in the end, busier than normal days.

雅思口语第一部分

- Photo

What would you like to use to take photos?

I prefer to use “card” camera or single electronic camera which are lightly weighted, not bad quality of photos, only pixel and definition would be worse than DSLR camera, but it’ s portable.

Digital single lens reflex camera

雅思口语第一部分

- Photo

What types of photos do you like to take?

Portrait shot

Landscape shot

Still life shot

雅思口语第一部分

- Photo

How can you take a good photo?

Hardware and software

Exclusive camera, suitable lens, certain lightness
and right angle

Patient, imagination, creation and anticipation

雅思口语第一部分

- Photo

What does photography affected you?

It leaves me vivid memory by taking photos

Practiced me by paying more attention and to care more details of my live

Learned how to change different angle to observe things

雅思口语第一部分

- Sport

What is your favorite sport?

Basketball, soccer, badminton, volleyball, jogging,
mountain hiking, riding bicycle, table tennis,

Riding bicycle is my favorite, kind of between sport
and casual activity, means it's fun, quite
entertaining also beneficial for my physical
extension, especially doing it in skirting area of
downtown.

雅思口语第一部分

- Sport
- What are the benefits of playing sports?
- Improve physical strength condition
- Have mental relaxation
- Platform to expand our personal and live relationship to others

雅思口语第一部分

- Sport
- Do you like to go swimming?
- Increase vital capacity
- Aerobic sport, very efficiently consume the heat and calorie I ingested from food
- Shape up body, and tough immunity

雅思口语第一部分

- Sport

Where would be the best place to go swimming?

It's more secured, and there's the life guard for people to get out of drowning troubles

It's suitable for all the seasons since the interior and water temperature is adjustable

Also water is more sanitized than water from sea especially the pollution

People from inland city, only possible place to go

雅思口语第一部分

- Flower
- What' s your favorite flower?
- Jasmine
- It' s been here in my country long enough to become one of the national flowers probably
- The smell is good, I get to sense it by the smell even I was few meters away, strong, special, mild but doesn' t irritate nose
- Once it was de-hydrated, Chinese herbal tea

雅思口语第一部分

- Flower
- What' s your favorite flower?
- Plum blossom
- This is the flower blooms out only during the freezing cold winter
- As one of the famous Chinese poems were saying, plum blossom can be sweetly scented in bitter winter
- It' s got indomitable vitality as something the flower symbolizes for

雅思口语第一部分

- Flower
- On what occasion that you would like to give flower to others?
- Almost every time I visit place of my grandparents' , I would bring a pot of jasmine flower to grandpa, since he likes growing flowers and drinking jasmine tea, this is like no better gift than the gift of jasmine

雅思口语第一部分

- Flower
- On what occasion that you would like to give flower to others?
- Since the feature of the flower is with indomitable spirit, then friend got sick or stayed in hospital during cold winter, this is the flower as one of the only few kinds I could find for them, and imply the expression of “to be strong”

雅思口语第一部分

- flower
- Have you ever planted flower before?
- Yes, and it got bloomed up beautifully
- Yes, but it got withered away
- No, no time, energy, afraid that the flower is gonna wither away in my hands
- Have to consider: climate, temperature, quality of soil, watering, fertilizing, neutralizing, cutting branches, loosening soil, using pesticide

雅思口语第一部分

- flower
- What would be the benefit of having flower in family?
- Smell, scent, fragrance comfort me
- Good way to decorate my room, having something natural is better than everything in artificial
- Superstitiously Good for Chinese fengshui, lucky flow
- Purify air, generate oxygen, absorb carbon dioxide

- 雅思口语第一部分

- News
- What' s your favorite kind of news?
- Sport political fashion constructional financial
entertainment international
- I like international news, it' s really about
finding out what the strong suit and shortness of my
country are, and then I will understand my country
in better way.

雅思口语第一部分

- News
- Where do you get it?
- Different reading source, depends on the situation, time and place
- From newspaper, cell phone
- From TV, and the Internet

雅思口语第一部分

- News
- What' s the difference between newspaper and the Internet?
- The popularity is different, newspaper is traditional reading material, everyone get to buy and read it from everywhere, but the Internet is only for people who have certain devices, such like computer.

雅思口语第一部分

- Movie
- What' s your favorite type of movie? Why?
- Action science fiction documentary horror affection
inspirational animated cartoon war
- I think comedy movie is the most effective movie
that is as an ingredient to change the flavor of my
life. Spending 2 hours on comedy movie can light up
my day.

雅思口语第一部分

- Movie
- Which is better, home or cinema?
- Home is better, I mean the technology we have received from cinema is not hard to be duplicated at home, plus there are no public rules to follow as home, then home is more like an ideal solution for me

雅思口语第一部分

- Movie
- Do you prefer to watch movies alone or with others?
- Sharing with others during movies especially good movies is like sharing fantastic food, there's always joy that I think it's supposed to be enjoyed all together.

雅思口语第一部分

- Food and restaurant
- Do you often eat in restaurants?
- Yes, almost every day since my parents are not living with me in Beijing and I have no idea of how to cook.
- Every another day
- Once a week
- Fortnightly
- Hardly dine out

雅思口语第一部分

- Food and restaurant
- Why do people like to eat in restaurant?
- The chef in restaurant is exclusively acknowledged with cooking recipes, so the food they cooked for us would be with more kinds and better tastes.
- Optional-cuisines
- Better occasion holding place

雅思口语第一部分

- Food and restaurant
- If you had children, would you let them to eat in restaurants a lot?
- No, I don't want them to get used to eat outside over home, cause home is supposed to be the place where family people have family meals.

雅思口语第一部分

- Food and restaurant
- What' s your favorite foreign food?
- Spaghetti Lasagna Kebab Sushi and sashimi Taco
- Steak
- I prefer barbecue, especially when meat is getting grilled, which is tender and juicy when it' s done medium
