

## 辩论类大作文结尾举例-2

- ◎ Society would benefit from the ban on all forms of advertising because it may serve no useful purpose, and can even be damaging. To what extent do you agree or disagree?

## 辩论类大作文结尾举例-2

- ◎ Clearly, advertizing is necessary for both consumers and manufacturers. But it is still suggested that the government should put more restrictions on the content of advertisements so as to prevent the misleading effects they may bring about.

## 辩论类大作文结尾举例-3

- ◎ Some people believe that some unpaid community service should be a compulsory part of high school. To what extent do you agree or disagree?

## 辩论类大作文结尾举例-3

- ◎ Evidently, participation in voluntary work is a positive development for both individuals and society, and should be encouraged. But I still suggest that high schools students should perform such work in spare time in order to prevent possible negative effects on students' academic performance.

## 辩论类大作文结尾举例-4

- ◎ More and more students are choosing to study in another country for higher education. LB

## 辩论类大作文结尾举例-4

- ◎ It is clear that studying abroad is a positive development and should be encouraged. But I still suggest that the government should provide excellent international students with more financial support in order to reduce their families' burden. Also, students from the same country should hold parties in various forms so that they do not feel lonely any more.

## 辩论类大作文结尾举例-5

- ◎ Some people think that all school students should learn a foreign language. Others think a student should not be required to learn a foreign language if he or she does not have talent for it. Discuss on both sides. What is your opinion?

## 辩论类大作文结尾举例-5

- ◎ It seems clear that learning a foreign language can bring a wide range of benefits and should be encouraged. But I still suggest that schools should lower down requirements for students without the talent in order to increase their motivation for taking such a course.
