# Housing

- If possible, I would like to change our current wooden floor to the marbles, because I am the person who does the cleaning in our family. So it is much easier to finish the housework. Moreover, it feels so cool during the summer.
- I would like to live in a Big house in the city center, with my lover and my dog, because i am used of living there , a place where I have been living here for almost 20years

## Qs ~ SPORTS

- Do you like sport?
- Did you play any sport when you were a child?
- What sports do young people (or, children) like to do?
- What sports do you think are suitable for children to play?
- Do old people and young people like to do (or, play) the same sports?
- What sports do old people like to do?

## Qs ~ SPORTS

- Is there any sport that you have never played that you would like to try (or, to learn)?
- How much time do you have for exercise?
- Do you ever do any exercise to keep fit or healthy?
- Do you think everybody should do some exercise? (Why?)
- Do you think exercise is beneficial for older people?
- What do you think are the benefits of exercise?

## Possible answers ~SPORTS

- I like sports, such as swimming, hiking and skiing. I believe that many sports can boost our endurance and teamwork spirit especially for our young people
- Unlike the young people, the aged people may not be suitable to do those Strenuous exercises, but they can still try some yoga exercises or aerobics or even just take a walk.

## Possible answers ~ SPORTS

- If I had a chance I would like to try Bungee jumping, because it is stimulating and can relieve pressure after jumping from the top. I made the promise with my friends that we are going to the valley nearby for this brave try after our graduation, as the celebration for our past youth.

宅男 ~

indoors man

- I may not know basketball scores, but as an avid indoorsman, I've been highly regarded for my skill at video games and computer programming.
- “What better than playing games and enjoying the luxury of your house ?” says an indoorsman.

# Internet

- I do not like reading newspapers, like other young people, because most of my major news sources are my mobile phone or the net. As far as I am concerned, paper news media is not environmentally friendly and electronic tools seem more fast and economic.

# Internet

- Younger generation could not live without internet, because we can get news, have fun and even do all kinds of things through it, such as the internet has become the role of sending the handouts and notices. During the last 5 years, internet has changed our life and enhanced the efficiency and living standard as well.
