Since human beings existed in the world, animals have always been accompanying us.

自从人类存在于这个世界上以来，动物就一直陪伴着我们。

交通类

Traffic problem becomes the biggest concern of many countries in the world.

交通问题成为了世界上许多国家最为关注的事情。

环境类

In recent years, environmental pollution, which becomes increasingly serious, has aroused the shared concern of countries around the world.

近年来，日益严重的环境污染问题引起了世界各国的共同关注。

男女平等

This is a world of gender equality, or, at least, a world calling for so.

这是一个男女平等的世界，至少是提倡男女平等的世界。

犯罪类

In recent years, the record of crime rate has been constantly renewed.

近年来，犯罪率屡创新高。

These years, with the development of economy, an increasing number of students choose to go abroad to continue their studies.

Study abroad brings students a lot of benefits.

Study abroad is detrimental to students in many aspects.

After students finish their study abroad, they will have more job opportunities.

The students who have the experience of studying abroad can more easily find a satisfactory job.

Study abroad helps to cultivate students' independence.

They have to learn to how take care of themselves and how to get along well with others.

Study abroad can easily lead to students' psychological problems.

Because they live far away from their parents, relatives and friends, they often suffer from psychological problems such as loneliness and homesickness.

Study abroad lays a heavy financial burden on the students' families.

Students have to spend a large sum of money on the tuition fees and the living expenses.

Study abroad is harmful to students' mental health.

It is not easy for ordinary families to cover its high expenses.
