How to kill the dead air

Sorry, I think I am getting tongue-tied. You know, it is exactly what I get when I am nervous, I think I should take a deep breath and pull myself together. Can you bear with me a second please?

How to kill the dead air

Sorry, I didn't catch you exactly, can you slow down a little bit please?

Wow, my mind is a total blank right now. I guess it is just the nerves. Would you be kind enough to bear with me a second?

How to kill the dead air

I am running out of my ideas.

I did beat my brains out, but there is nothing else coming out.

Sorry, the words just slipped out of my mouth before I knew I was saying it.

Speaking Criteria

Fluency and coherence 25%

Lexical resource 25%

Grammar 25%

Pronunciation 25%
